

The Chronicles of America 14 Henry Jones Ford

This next volume of the Chronicles of American series investigates Washington's development in the day to day world the various dimensions of the newly conceived Federal government with a president, a congress, a supreme court, a cabinet (his own creation), and a state department. Washington, being a man of great strength and character forged his own way, but was surrounded by all those remarkable men who had been his friends and helpers and challengers too in his past who became his colleagues in the endeavor to make the new form of government succeed against sometimes unforeseen and difficult situations.
